

# 2nd Annual Travis Manion Foundation National Capital Region Golf Tournament

## WE CHALLENGE THE LIVING TO CONTINUE THE SERVICE TO COMMUNITY AND COUNTRY EXEMPLIFIED BY OUR NATION'S FALLEN HEROES

Shortly after the death of 1st Lt. Travis Manion in Iraq on April 29th, 2007, the fallen Marine's mother, the late Janet Manion, founded the Travis Manion Foundation to assist our nation's veterans and families of the fallen. Headquartered in Doylestown with another office in San Diego, the Foundation is focused on empowering the nation's veterans and families of the fallen. The Travis Manion Foundation engages with veterans and families of the fallen in all stages of their personal journeys and offers them unique opportunities to empower them to achieve their goals. Before leaving for his second and final deployment to Iraq Travis spoke the words – "If Not Me, Then Who..." These words have inspired a national movement that is growing rapidly. Veterans and families of the fallen are spearheading this movement to build a nation of heroes in which character, leadership and service are in action every day.

**The Travis Manion Foundation honors Travis and other fallen heroes by:**

- Empowering returning veterans to pursue their dreams
- Inspiring youth to service
- Enabling families and friends to memorialize fallen heroes
- Collaborating with organizations investing in veterans and their families

## HOW WE DO IT

### MENTORSHIP AND ADVOCACY

TMF empowers returning veterans and families of fallen service members to take the next step in their lives. TMF provides transition assistance, education funding, and healing and grief support through team building events and social interaction.

### EXPEDITIONS

TMF provides veterans and families of the fallen with the opportunity to honor the fallen by challenging themselves mentally and physically on group trips. Expeditions facilitate the development of a community of survivors and network of support.

### 9/11 HEROES RUN

The 9/11 Heroes Run is a national race series that brings communities together to honor the heroes of 9/11 and wars since. The Foundation organizes 50+ races around the world in September and invests a large portion of race proceeds back into the community to support organizations assisting military, veterans and first responders locally.

### CHARACTER DOES MATTER

Character Does Matter (CDM) empowers veterans and families of the fallen to deliver dynamic, inspiring presentations to emerging leaders across the United States. The program engages the next generation of leaders to serve, directly impacting their local communities while carrying on the legacies of our nation's fallen heroes.
